

# Calendar domestic waste

## Tommaso Natale/Sferracavallo

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
		PAPER, CARD, CARDBOARD				
PLASTIC, METAL						
	GLASS					
	ORGANIC WASTE		ORGANIC WASTE			ORGANIC WASTE
				NON-RECYCLABLE WASTE		

**Waste must be put out  
between 7 pm and 10 pm on the days indicated**

**Collection will be done by 2 pm the following day**

Housing, offices,  
B&Bs, professional  
firms located in an  
appartement,  
schools without  
canteens.

Beverage and  
food cartons  
(milk and fruit  
juice cartons) go  
in the plastic and  
metal bin.

**New rule**

**DO NOT LEAVE  
WASTE ON THE  
STREET OR  
OUTSIDE OF THE  
BINS**

Any violation of  
proper waste  
disposal will  
result in fines  
under the current  
legislation.

## Paper, card and cardboard packaging

**Paper/card:** paper and card bags; newspapers; books; notebooks and magazines; card and cardboard packaging for toys and clothing; shoeboxes; cardboard trays and boxes for food; card egg boxes; pizza boxes with no food residue...

(clean without adhesive, metal or plastic).

**Cardboard:** clean cardboard without adhesive, metal or plastic...

(flattened and piled up on the ground).

**Put the waste in the white container, use paper bags**

## Plastic and metal packaging (free of any residue)

**Plastic:** bottles; disposable plastic plates and cups; beverage and food cartons (milk and fruit juice cartons...) polystyrene; rigid and flexible bags, sacks and packaging for food; plastic or cellophane film; bottles for household and personal hygiene products; nets and crates for fruit and vegetables; clothes hangers...

**Metal** (steel and aluminium): cans for drinks and oil tins; trays for cooking and storing food; tins; aluminium foils; caps; aerosol cans that are not classified as hazardous material...

**Use semi-transparent bags to facilitate the check of the contents of the bags**

## Glass packaging

Bottles, pots, vials and jars free of any residue and metal caps.

**Put the waste in the green container, without the bag**

## Organic waste

Kitchen waste; food scraps; spoiled food; eggshells; coffee grounds and pods; tea and chamomile bags; cut flowers; leaves of house plants; stale bread; paper napkins; wood ashes; corks; kitchen towels; wooden fruit crates (broken); fruit stones; pizza boxes (chopped up); cutlery; plates and cups made of compostable bioplastic...

**Put the waste in the brown container, use compostable bioplastic bags**

## Non-recyclable waste

Dirty paper, greasy paper, baking and glazed paper; broken plates and glasses; ceramics; toys without electronic components; CDs and DVDs; nappies; sanitary towels; receipts; basins; foam rubber; incandescent and halogen bulbs; scans and photographic film; disposable razors; umbrellas...

**Put the waste in the grey container**

## Bulky waste and WEEE (electric and electronic equipment out of service)

Mattresses; furniture; large and small household appliances; computers; TVs...
